Sir, C.S. 22-28-1

In forwarding, herewith, a copy of letter No.TAD.A. 51 dated 20-7-1928 from the Comptroller to the Government of Mysore, Bangalo: objecting to certain acting arrangements made in the Executive Staf: of this Department, I have the honour to state that similar arrangements ordered prior to that date were being admitted in audit. The objection now taken by the Comptroller works as an hardship in the case of many of the Officials of the Department who are acting in the higher grades consequnt on the permanent incumbents being eithe: on deputation or on leave. The sanctioned scale of appointments in the Inspectorate has not been expressly divided into different classes or ordered to belong to only one class as now mentioned by the Comptroller and each post has hitherto been regarded as being a separate class by itself for the purpose of Article 70 of the Mysore Service Regulations. It was on these grounds that acting arrangements were being made therein till now and as has already bee stated above, no objection was being taken in the Comptroller's office at the time of auditing the pay bills of the concerned officials.

Even as matters were standing till now, the prospects of the Inspectors of the Department were very limited and this objection of the Comptroller comes as an additional blow to them. Considering the various hardships they are specially subjected to and the arduous nature of the duties they have to perform particularly in connection with the Development work among the masses in spite of these difficulties, I request you will be so good as to move Government

P.T.O.

Government to legalise the existing practice of treating each appointment in the Inspectorate as belonging to a class by itself. If for any reason it be found not possible to do so, the Government may at least be moved to include Inspectors of Co-operative Societies also under exception to Article 70 of the Mysore Service Regulations as they have already been pleased to do in the case of Forest Rangers, Agricultural Inspectors and Sericultural Inspectors having the same status as that of the Inspectors of this Department.

I have the honour to be,
Sir,
Your most obedient servant,

H Ramayya

With reference to your Memo No.6622 dated 29-5-1928, sanctioning certain acting arrangements from grade to grade in the non-ministerial officers during the absence of Mr. S. Venkatarama-iah, Inspector on combined leave from 23-4-1928, I have the honour to invite reference to Art.70 M.S.R. according to which the officiating arrangement is inadmissible, and to request therefore to kindly intimate the authority under which the arrangement is sanctioned.

I may state that in this connection that similar arrangements on previous occasions were being admitted in audit under the special orders of Government.
